How to Use the Meat Establishment Directory

The 2013 Wisconsin Meat Establishment Directory is designed to enable the user to locate and identify the business office and establishment location of every state licensed meat establishment in Wisconsin.

In the first section, each establishment is listed by county and is identified by meat establishment number, trade name, establishment address, telephone number, and mailing address of the home office and operation codes.

The second section is a numerical listing and the third section is an alphabetical listing of the meat establishments. This is useful when tracing the origin of a meat establishment and/or product. The fourth section is a map of contacts by county.

The final section is a list of meat establishments that perform inspected and uninspected poultry slaughtering.

There are 273 official meat establishments and 56 custom exempt meat establishments operating in the State of Wisconsin.

To order additional copies of this directory, please send a check for \$2.50 per copy along with your name and address to:
**Wisconsin Department of Agriculture, Trade and Consumer Protection,
Drawer 93586, Milwaukee, WI 53293-0586.**

The directory can also be found on our web site at <http://datcp.wisconsin.gov>
